New York Stock Market.

New York, March 18.—Government bonds moderately active and weak, especially coupons.

The coal stocks were the feature of today's stock market. They contributed nearly 40 per cent of the day's business and were the only active stocks that developed a decided weakness. The whole market, however, was irregular and at times feverish, especially in the early dealings. Transcontinental matters and railroad strikes in the west and southwest had no appreciable effect upon prices, as no news of importance was received. Chicago, Burlington and Quincy, Erie commons, Missouri, Kansas & Topeka, Louisville & Nashville, Missouri Pacific, Northern Pacific preferred, St. Paul & Duluth, Texas & Pacific, Union Pacific and Western Union are all a fraction higher while the rest of the active list showed small declines. The market was decidedly irregular at the close, being weak for coal stocks and firm for other active shares.

A Corrupt Alderman.

New York, March 18.—Alderman Jachne was arrested at the City Hall at noon to-day and taken at once to the police headquarters, charged with bribery. Before the Broadway investigation committee last week, testimony was introduced showing that silverware stolen from Mrs. Hamilton was traced to Jachne's shop, that Jachne first tried to bribe one of the detectives sent to recover the property and failing in this paid the value of the silver, \$11,000, to the owner through the lawyer who unsuccessfully defended the thieves. The charge does not rest on the testimony of one witness alone, but it is supported by that of two or three. Jachne was taken into one of the private rooms. "The indictment against Alderman Jachne has been found but not filed," said District Attorney Martin, this afternoon. The charge against him is that he received a bribe, in consideration for which he voted for the granting of the franchise to build a road in Broadway to the Broadway Surface Railway Co. after the resolution had been vetoed by the mayor. The warrant for Jachne's arrest was issued by Judge Gildersleeve, of the Court of General Sessions, upon affidavits furnished by Inspector Byrnes. He will be arraigned before Gildersleeve in a few minutes. As soon as it became known on the street that Jachne had been arrested, politicians and aldermen by dozens flocked to the city hall.

Mr. Martin, under the direction of Judge Gildersleeve, ordered the papers for bail to be drawn, fixing the amount of bail at \$15,000. J. O'Donnell, who keeps a liquor store, was accepted as bondsmen. While the papers were being drawn Jachne sat smoking a cigar in the private office. He did not appear to feel very bad over his arrest and seemed to take it as a matter of course. He said that he did not want to talk about his arrest to reporters; whatever he had to say would be given out by him at the proper time.

Striking Clock Makers.

New York, March 18.—All the clock makers in the city, numbering 15,000, are on a strike. They do not ask for increased wages but merely demand that the contract system be abolished so that they can deal directly with the firms themselves.
